I hope you will get as much enjoyment out of Sam Houston's year book as I know I'll receive from Highlands. This is the best I had to offer. That is all one can say I guess. The two errors in my section were not my fault but they were disastrous at any rate. I believe your year book this year will be out to strive hard to out do. They worked hard and it really shows. Money also helps. Really am looking forward to seeing your supplement edition this summer.

Good luck with all your Boy troubles. Looking forward to next year and your football games. Yell loud and clear. Funny we have no dates or real events to remember in this yearbook except our true friendship. Look on page 20, I even made a calendar but to no avail. yours Nancé

High school years are wonderful. What is done with them determines, to a great extent, the kind of person you will be - a success, an in-between drifter, or a failure. We have tried to follow a course charted by our parents and teachers that will lead to success and happiness in life. It is our belief that you, the reader, will discover not just information from the 1960 CHEROKEE, but much more; the high ideals and standards set forth by the student body of Sam Houston High School.

"The 1960 CHEROKEE" is dedicated to world peace and understanding through education. As Sam Houston once said, "The benefits of education and of useful knowledge, generally diffused through a community, are essential to the presentation of a free government." The Sam Houston students and faculty are striving to achieve their portion of this goal.

The PTA has established an excellent membership of 302 with promise of increasing in the near future.

On the opening day of school, the Executive Board of the Parent-Teacher Association served a luncheon for the teachers and FTA group. An attendance of approximately sixty people was served. The PTA also helped with the Open House and Dedication of the new school by serving the six hundred guests present.

A candy selling campaign which netted a clear \$150.00 has been the only money raising project so far this year. Further fund raising activities include a supper to be given early this year.

The excellent refreshments served by the home-room mothers are always enjoyed by the members.

Parent-Teacher Association

Many interesting events have occurred since the PTA was organized in 1945. These events are recorded and on display in the library at Sam Houston, thanks to the author, Mrs. John Ziebell.

An aerial photograph of Venice, Italy, showing the Grand Canal winding through the city. On the left, there are tall, ornate buildings with many windows and balconies. On the right, the water is filled with numerous gondolas and other small boats. In the distance, the dome of St. Mark's Basilica is visible. In the bottom right corner, there is a large, semi-transparent globe showing a map of the world, with a small white rectangle overlaid on it.

Dedication Ceremonies Officially Opened School to Public

Delivering the dedication address was Mr. Thomas B. Portwood, Superintendent of San Antonio Public Schools.

He presented the school to Mr. George C. Guthrie, member of the Board of Education, who made the acceptance speech.

Many beautiful floral sprays were sent to the dedication ceremonies by the many friends of Sam Houston High School.

The background of the page is a composite image. It features several tall palm trees in the foreground and middle ground. In the distance, the Great Pyramids of Giza are visible under a hazy sky. In the bottom right corner, a globe on a stand is positioned on a grassy field. The word "SENIORS" is written in a stylized font across the middle of the image.

A faded, sepia-toned photograph of the Taj Mahal in Agra, India. The iconic white marble mausoleum is the central focus, featuring its large central dome and four minarets. In the foreground, a large, detailed globe sits on a stand, partially obscuring the lower right portion of the image. The background shows a wide, tree-lined path leading towards the monument, with some figures of people visible in the distance. The overall tone is historical and scholarly.

The National Honor Society membership is the highest honor the faculty can confer on a student in recognition and appreciation of an outstanding high school record of performance and achievement. To qualify, a student must have a high scholastic average, and qualities of leadership, character, and service.

The purpose of the National Honor Society is to create enthusiasm for scholarship, stimulate a desire to render service, promote worthy leadership, and encourage character development.

The top officers of the National Honor Society of Sam Houston worked hard in planning the city-wide banquet. It was through their efforts that the banquet was a success and that it will be an annual event.

There were many NHS members who enjoyed the wonderful meal.

Publishing the Sam Houston Newspaper was the task of the Raven Staff. Every two weeks the Raven Staff presented the school's news to the students. Every member on the staff had his own special job, and besides his job he also pounded the sidewalks soliciting ads.

Since it is known that "all work and no play" makes a person unbearable, the Raven Staff made sure they had a social life. A Christmas party and other socials were enjoyed by the staff members. Thus, the staff had a very enjoyable year in 1960 by co-operating with one another in their work.

The combined efforts of the CHEROKEE Staff, from editor-in-chief to copywriters, produce an accurate picture of life at Sam Houston. Annual workers come early in the morning and stay late at night in order to make their yearbook the best ever. A group of girls from the choir always participated in school assemblies and other activities.

Every morning members of the choir met with Miss Ward to rehearse the music used at the contests and on their spring tour.

Sam Houston

The Sam Houston Cherokee Band, led by a new band director, Mr. Stan Psencik, has made great strides in advancing the popularity and proficiency of the already well organized band. Soon after assuming his position, Mr. Psencik organized a band council. It consists of a boy and girl from each class. The council functions in conjunction with the director, officers and drum major to deal with any problems that arise.

Backfield

The leading ball carriers for the district champion Cherokees were Walter Johnson and Ray Edwards. Walter, number 40, who averaged 7 yards per carry, was voted "Most Valuable Player" by his teammates. Ray, averaging 8 yards per carry, was voted "Best All-Around Player." Mike Crocker passed for 211 yards and four touchdowns. Ronnie Christians, experienced blocking back, laid key blocks in all games.

Here, Walter breaks into the secondary against South San.

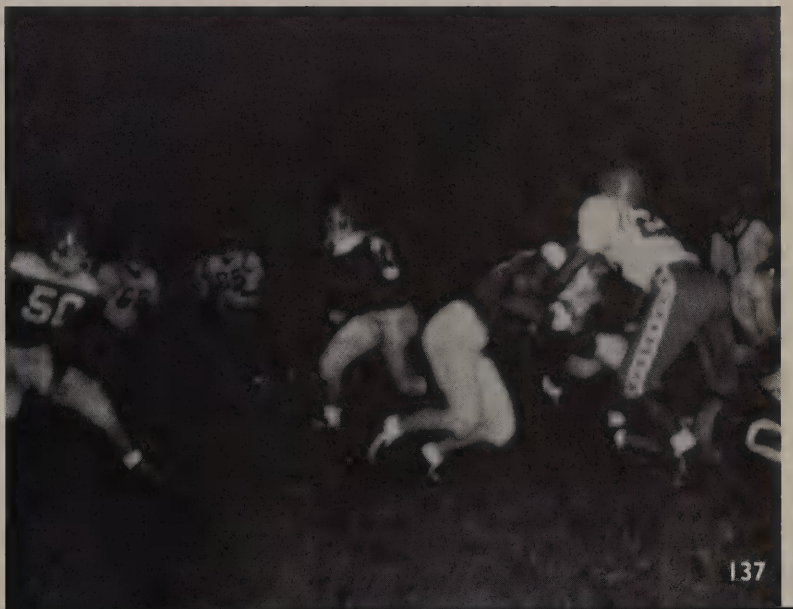

Left to Right: Charles Faulkner, Wayne Mathews, Raymond Robel, Billy Wolfe, Wayne Kinzel, Perry Calk, Charles Jones.

Linemen

Cherokee linemen received many honors in their successful season of 1959. Named on the all-city team was Charlie Jones, 180 lb. senior end. Billy Wolfe, Lee Kinzel, and Perry Calk were noted on the all-district team. Honorable mention was awarded Raymond Robel and Wayne Kinzel.

The outstanding Cherokee linemen open up a hole for halfback Ray Edwards.

Tribe Stopped in Only One Pre-District Game

Falfurrias, the State AAA quarterfinals champions, gave the Cherokees their only pre-season setback, the first Tribe defeat since the 1957 South San upset.

Here, John Blackburn fakes to Ronnie Christians after giving to Walter Johnson, who scored the only Sam Houston touchdown against Falfurrias.

Cherokees Eliminate Del Rio to Begin District

Substituting for the injured Mike Crocker, John Blackburn led the Tribe past the Wild Cats. Mike, playing for only two plays, passed to Charlie Jones for the second touchdown.

Tribe Sacks-Up Uvalde 20-6

Down 6-0 at halftime, the fighting Cherokees came charging back to defeat the Coyotes in their second district game. The Big Green moved 51 yards in three plays to go ahead 7-6. After this the door seemed to open to the offensive team. First, Walter Johnson scored, then Ronnie Christians tallied, but the score was called back on a penalty. It was Ray Edwards' turn to carry down close to the goal line, and Walter Johnson carried for the final score.

Boarding the bus, the Cherokees were contemplating the result of their first district game.

Ronnie Christians tackles the ball carrier in the Uvalde game.

Indians Roll Over Rival South San 20-6

This game was played on one of the coldest nights of the year, but Sam Houston came through all the way. Stopping the South San Halfback, Ted Lerma, seemed to be little or no trouble for the fired up defensive team led by Charlie Jones and Raymond Robel. The Cherokee offensive team gained 280 yards rushing despite the slush of a muddy field.

Charles Faulkner causes needed fumble against Eagle Pass.

Cherokees Squeeze by Eagles *12-8*

Coming to the last district game with the district championship still undecided, the Cherokees came through again by bowling over the Eagles. At this time the Eagles had not lost a district game either. With the team at full strength the tribe won the right to represent 14AAA in Bi-District competition.

Bi-District Spells *Defeat* *38-6*

The Rattlers were a large, fired-up squad ready to dish out some of what they took a year ago at Alamo Stadium when the Cherokees defeated the Rattlers 12-0. The San Marcos team was off to a fast start with a seventy yard gallop on the first play. Ray Edwards broke loose on a 60 yard scoring run for the lone Cherokee score. Thus ending the 1959 season.

A Christmas gift to the school. Merry Christmas from the 1959 Cherokee football squad.

Left to right, FRONT ROW: Jerry Scott, Terry Busby, Bobby Lampton, Robert Shotwell, Buddy Collins, Charles Mercy, Raymond Kraus, Coach Don Hood.
